Supplies Needed

*Regular embroidery supplies, stabilizer, thread, scissors etc. (Note: I like cutaway stabilizer for most ITH projects unless otherwise indicated. I find that it provides more stability to the finished product.

*Vinyl or cork. Felt would also work if you used a heavy duty stabilizer.

* $\frac{3}{4}$ inch craft stick

*double sided tape

***My supplies are listed at the end.**

Carefully cut out your design and insert your craft stick.
Lightly mark with a pencil however deep you want the stick.
Pull the stick back out and put double sided tape on the
stick and reinsert into the design. Press firmly on the
back of the design so that the tape holds the stick in
place.

That's it! You're done!
