Supplies Needed

*Regular embroidery supplies, stabilizer, thread, scissors etc. (Note: I like cutaway stabilizer for most ITH projects unless otherwise indicated. I find that it provides more stability to the finished product.

*Vinyl or cork. Felt would also work if you used a heavy duty stabilizer.

* $\frac{3}{4}$ inch craft stick

*double sided tape

***My supplies are listed at the end.**

Happy Mother's Day Plant Marker Tutorial

Color Change 1: Placement stitch - stitch directly on stabilizer.

Cover with vinyl or cork.

Happy Mother's Day Plant Marker Tutorial

Color Change 10: Place backing under hoop and stitch final bean stitch which creates the pocket for the craft stick.

Finally, unhoop - carefully cut out your design and insert a $\frac{3}{4}$ inch craft stick.

Happy Mother's Day Plant Marker - Pro tip!

Carefully cut out your design and insert your craft stick.
Lightly mark with a pencil however deep you want the stick.
Pull the stick back out and put double sided tape on the
stick and reinsert into the design. Press firmly on the
back of the design so that the tape holds the stick in
place.

That's it! You're done!
